What You'll Need

1. WiiM Amp device
 2. A pair of passive speaker
 3. A smartphone or tablet
 4. Wi-Fi connection
 5. (Optional) Ethernet connection
 6. (Optional) Other audio input devices you want to connect to the WiiM Amp
-

Step-by-Step Setup Guide

1. Unboxing and Connecting the WiiM Amp

- **Unbox the WiiM Amp:** Take out the WiiM Amp and its accessories.
- **Connect to Speakers:** Use the appropriate cable (banana plug or wired) to connect the WiiM Amp to your passive (Left and Right) speakers.
- **Connect to audio input devices (optional):** Connect your TV, recorder player, PC, or MP3 player to your WiiM Amp so you can play the audio from these devices.

2. Powering the Devices

- (Optional) Connect a power source of an audio input device, if any.
- Connect the WiiM Amp to a power source using the provided power cable.

3. Downloading the WiiM Home App

- **For iOS Users:** Go to the Apple App Store.
 - **For Android Users:** Visit the Google Play Store.
 - **Search and Download:** Look for the 'WiiM Home' app and download it.
-

4. Setting Up the WiiM Amp through the App

- Open the WiiM Home App: Launch the app on your smartphone or tablet.
- Device Setup: Follow the in-app instructions to connect the WiiM Amp to your Wi-Fi network. This usually involves:
 - [Selecting the 'Set Up'.](#)
 - Choosing your Wi-Fi network and entering the password.
 - Waiting for the device to connect to your network.
- Additional Resources: For more detailed information and visual guidance, please refer to our setup video [here \(https://linkplay.s3.cn-north-1.amazonaws.com.cn/Video+Tutorials/Amp+OOBE.mp4\)](https://linkplay.s3.cn-north-1.amazonaws.com.cn/Video+Tutorials/Amp+OOBE.mp4).

5. Firmware Update (if necessary)

- After connecting, the app may prompt you to update the firmware.
- Follow the in-app instructions to complete this update.

6. Pair Your Remote

- Insert two "AAA" batteries into the remote
- Press the "Source Select" and "Mute" buttons on the remote at the same time for two seconds
- Follow the in-app instructions to complete the pairing of the remote

7. Streaming Music

- You can now stream music using the WiiM Home app, or through compatible streaming services integrated with the WiiM Amp (like Spotify, Amazon Music, Tidal, Deezer, Qobuz, etc.).

Tips

- **Wi-Fi Connection:** Ensure your Wi-Fi signal is strong in the location where you set up the WiiM Amp for a stable streaming experience.
 - **Device Not Connecting:** If the WiiM Amp is not connecting to your Wi-Fi, try restarting your router and the WiiM Amp.
